The Three Great Purifiers

The Great Blood Purifier

Recommended for the Treatment of Eruptive Skin Diseases, Chronic Catarrh, Rheumatism, Gout, Lumbago and All Conditions Caused by Impure Blood

Two of the greatest purifiers in the world are sun and water, and on both depends life.

As a purifier of the blood, no preparation stands higher than Plough's Prescription C-2223. For years and years this liquid prescription was used by a successful physician in his private practice. He found that this particular formula gave the best results to those of his patients who were suffering from some constitutional blood disease. In time this doctor made quite a reputation both for himself and the prescription which he used; today a large number of bottles are required by druggists to supply the demands of those in need of this meritorious preparation.

In the treatment of Chronic Rheumatism, Catarrh, Scrofula and other similar diseases of the blood, Plough's Prescription C-2223 has given relief to thousands. Despairing, helpless sufferers have secured benefit from this liquid prescription where all other advice and treatment had failed.

If you are suffering from a condition caused by bad blood, or you fear that the poisons and accumulations have never been entirely eliminated from your blood, you should begin now and take the Plough's Prescription C-2223 Treatment. This liquid preparation contains no Morphine, Cocaine, Strychnia, Chloral or Mercury; on the other hand, it is composed of certain medicinal ingredients, all of which are well known to medical authorities as being very effective in the treatment of Rheumatic and Blood Troubles. The very best materials and the greatest care are exercised in the preparation of this splendid treatment, so that you can be sure that if you follow the directions given us to its use, you will be greatly benefited if not permanently relieved.

In the treatment of Chronic Rheumatism, Catarrh, Lumbago, Gout and Sciatica and any condition due to bad blood, it is important that the liver be active. To stimulate the liver, relieve constipation and keep the bowels in a healthy condition, Plough's C-2223 Liver Pills are especially recommended. They do not

nauseate and can be used by those who cannot stand a dose of calomel or other drastic purgatives.

Plough's Prescription C-2223 can be supplied you ready prepared by druggists at \$1.50 a bottle; the Pills at 25c, or if you are unable to get the treatment from your home dealer, send \$1.75 to the C-2223 Laboratory, Memphis, and the package will be mailed you postpaid. You can get a free sample of the Pills and literature by writing.

"Plough's Black and White Toilet Preparations Always Please."

YOUR HAIR CAN BE MADE

Long, Soft, Glossy, Easy to Brush and Comb, and Dress to Become Your Style of Beauty.

The largest package, and the only pure white Hair Dressing now offered to the public for 25 cents.

Every package carries the guarantee of the manufacturer --- money refunded if not satisfied.

To Make Your Hair

long, soft, wavy and glossy, you must use a dressing that will destroy all dandruff, keep the scalp clean and free from disease and dirt. The ideal hair dressing must contain those ingredients that go directly to the roots of the hair and invigorates its growth. And naturally one prefers the use of a dressing that is pure white and delicately perfumed.

A White Hair Dressing

Black and White Hair Dressing is a white preparation of the highest quality. The oils and other ingredients used are recognized by beauty specialists everywhere as having merit for promoting the growth of the hair. Black and White Hair Dressing is delicately and delightfully perfumed—it has an odor that is distinctive. This new white hair dressing is the best that has ever been offered the public for the money.

How to Make Your Hair Long, Soft, Glossy and Wavy

Black and White Hair Dressing should be applied both night and morning, the length of time dependent

upon the condition of your hair and scalp. The hair and scalp should first be thoroughly cleansed. (There is no better shampoo than Black and White Soap.) Dry the hair well, then gently massage little bits of Black and White Hair Dressing into the scalp. Do this night and morning for one week; then shampoo the hair again. You will find your scalp will be free from dandruff; your stiff, wiry, curly hair becoming longer, softer and easier to brush and comb.

How to Make Your Own Shampoo.

Black and White Soap, as sold in cake form, is about the best cleansing agent that you can use, but some prefer a liquid soap for shampoo. Do this—thinly shave about one-quarter of a cake of Black and White Soap and place in a pint of boiling water. It is ready for use as soon as it cools.

If your druggist cannot supply you with Plough's Black and White Hair Dressing and Black and White Soap, send 50¢ to us and both will be mailed postpaid, or, four packages of Black and White Hair Dressing and one bar of Black and White Soap [a \$1.25 order] will be sent postpaid on receipt of \$1.00.

This mark on toilet preparations guarantees highest quality.

You Can Make Good Money Easy

If you have just a little time to spare each day, you can make big money supplying your friends and neighbors with this new Black and White Hair Dressing. Write Plough Chemical Co., Dept. N, for full particulars.
